O GOD OUR HELP IN AGES PAST

1. *O God, our help in ages past,*
our hope for years to come,
our shelter from the stormy blast,
and our eternal home.
2. *Under the shadow of thy throne,*
the Saints have dwelt secure;
sufficient is thine arm alone,
and our defense is sure.
3. *Before the hills in order stood,*
or earth received her frame,
from everlasting, thou art God,
to endless years the same.
4. *A thousand ages, in thy sight,*
are like an evening gone;
short as the watch that ends the night,
before the rising sun.
5. *Time, like an ever rolling stream,*
bears all its Sons away;
they fly forgotten, as a dream
dies at the opening day.
6. *O God, our help in ages past,*
our hope for years to come;
be thou our guide while troubles last,
and our eternal home.
